1. Editorial reports
   1) Online usage through: [PMC] is on the rising and [www.ejgo.org] is mostly from USA and Korea
   2) Most highly cited article in 2015 was from Narayan, Kailash (Australia)
   3) Of about 40 most invited reviewers, only less than 10 were from countries outside of Korea. Expanding active EB pool through incorporation of more foreign EB members is necessary.
2. 2016 JGO survey results

• Approximately 60% of respondents shall not pay article processing charge (APC) after acceptance to JGO. **High impact factor >3.0 is necessary to make the authors accept APC.**

3. Plans for raising impact factor

• Increasing quality review papers
  
  1) Involvement of editors by turns in review paper submission for regular publication (Yusuke KOBAYASHI)
  
  2) Recruit renowned researchers for quality review papers (Dong Hoon SUH)

• Unique editorial system for special express review within 7 days by additional fee (Yusuke KOBAYASHI)

• Using SNS (e.g. twitter, facebook, etc.) (Yusuke KOBAYASHI)
4. Advertisement plan

- Taiwan Association of Gynecologic Oncologists in Taipei, Feb 11, 2017 (Ting-Chang CHANG)
- 1hr session during the 22nd Annual Meeting of Thai Gyn Cancer Society (TGCS), Aug 11-13, 2017 (Jatupol SRISOMBOON)

5. Reorganization of EB system (Yusuke KOBAYASHI and Aikou OKAMOTO)

- Enriching associate editors up to 30 for efficiently handling and managing a manuscript
- Establishing guest editors around 70 who take charge of peer review process
- Invitation of editors from various subspecialties (e.g. medical oncology, etc.)

6. Next EB meeting will be held during the 5th ASGO biennial meeting in Tokyo, 2017
